#### HINGHAM SCHOOL COMMITTEE

LEFT TO RIGHT: Walter Schuchard, Forest Monkman, Dr. John H. Lawson, Superintendent; Philip Shute, Chairman; Charles W. Lamontagne, Assistant Superintendent; Edward Liewicki, George W. Pierce, Mary K. Hitchcock.

The Hersey House is the headquarters of our school administration.

The School Committee is an independent board of officers with extensive control over education. This committee has the power to make up the budget, determine how much the town will appropriate, appoint teachers and administrative staff, and prescribe curriculum and courses of study.

## P.T.S.A. NIGHT

During the autumn the Hingham High School Parent Teacher Student Association held its annual open house for parents. After a brief business meeting, Mr. Bartlett described the curriculum and the organization of a typical school day. Following the meeting the parents visited the various classrooms where each teacher explained his subject matter. During the evening the Student Council sold refreshments.

# ADMINIS

SUPERINTENDENT  
DR. JOHN H. LAWSON

*To the 1962 Hingham High  
School Graduates*

"The aim of education should be to convert the mind into a living fountain, and not a reservoir."—John M. Mason

As you leave Hingham High School and start in a new field of endeavor, success will abound if you can follow the advice of John Mason as you put into practice the training received from your parents, teachers, and clergy.

My warm congratulations and best wishes are extended to each of you.

ASSISTANT SUPERINTENDENT  
C. W. LAMONTAGNE

Unfortunately for me, I have entered upon your public school education just at the time when you are preparing to leave it; however, may I wish you success as you go forward from the Hingham Schools. Possibly the following thought as expressed by a very wise and humble man, Ralph Waldo Emerson, will mean something beyond what I, a stranger, can convey: "Shall I tell you the secret of a true scholar? It is this: Every man I meet is my master in some point, and in that I learn of him."

# TRATION

OUR FORMER  
PRINCIPAL

ARNOLD W. BARTLETT

The context of Mr. Bartlett's farewell speech to the student body was quoted from Fyodor Dostoyevsky's *The Brothers Karamazov*: "People always talk to you a great deal about your education, but some good sacred memory, preserved from childhood, is perhaps the best education . . . for that one memory may keep us from great evil . . . Let us be, first and above all, kind, then honest, and then let us never forget each other."

OUR ACTING  
PRINCIPAL

J. PRESTON BARRY

Be not disillusioned by the skeptics of our times. Success and failure are *not* mere accidents as some would have us believe but rather they are pure justice. For every fair day's work you *will* receive a fair day's pay.

# AUTUMN

After an outstanding Season in 1960, the 1961 football team had much to live up to. Despite injuries to several key personnel, the Harbormen broke even with a 4-4-1 record. Head Coach Walter Anderson along with Line Coach Buckley and Backfield Coach Vafidies worked hard with the boys to prepare for a difficult schedule. The team started the year off with a pre-season victory over Whitman-Hanson in the Jamboree. Following a tough defeat at the hands of an improved Danvers club, the Harbormen came back strong to win three straight and tie a fourth. During this first part of the season, quarterback Don McIntyre, fullback Fran Coleman, tackle Ray Norton and guard Phil Howlett all suffered injuries. The loss of these starters, plus a difficult second half schedule produced two more defeats before an impressive victory over North Quincy. In the Thanksgiving Day finale Hingham battled the wet, the cold, and a strong Newton South team, but could not come up with a win. Throughout the season several boys turned in consistently impressive performances, among them Jim MacAllen, Don DeHart, Leroy Deabler, Doug Eaton and John Allen. At the close of the season the team elected John Allen captain of next year's team.

The Majorettes, under the direction of their advisor Miss Butterfield, had a very successful autumn season. The Co-Heads, Jane Walgreen and Linda Lazzerini, and the Leader Leslie Jope, did an excellent job of leading the other girls in their marching and twirling. They never failed to add to the people's enjoyment of half time at the football games. The Majorettes also aroused school spirit by sponsoring a dance and selling beanies, decals and various other souvenirs to the student body.

Under the management of Pam "the Devoted One" Glazebrook, this fall's field hockey team completed a successful season with ten wins and one loss. The two most outstanding games of the season were with Marshfield and Swampscott. For the first time in sixteen years, with a score of 2-0, the Harbormaidens downed the undefeated South Shore League Champions, Marshfield. A hard-fighting Swampscott team, the North Shore Champions, defeated Hingham 2-1. The two adept co-captains, Gale Palmer and Julie Holm contributed the most to the success of the team. Gale was also high scorer with twenty goals for the season.

PRIZE WINNERS AT THE HOBO HOP

The Student Council started off a busy autumn season by sponsoring a number of successful activities. Some of these activities included a Bermuda Day to raise money for new band uniforms, a concession stand at the first P.T.S.A. meeting to raise money for the scholarship fund, the establishment of a Marshal Board, new and better assemblies, and a Tag Day at the Hingham/Wellesley football game, the proceeds of which were donated to WGBH TV.

On October 7, 1961, the Student Council sponsored a dance, the Hobo Hop, which was one of the most profitable dances ever held at H.H.S. The Prize winners included Peter Hardwick, Stanley Bates, Marcia Dunning, Patricia Saunders, Joseph Gilmore, Leroy Deabler, Kenneth VanMeter and Gale Palmer.

The Drama Club began the year with its fall production of "Around the World in Eighty Days" for the benefit of the American Field Service. This was followed by the Christmas Program in conjunction with the music department. During February, the members worked hard on the play for the Massachusetts Drama Festival, "The Browning Version," which was presented along with selections from "The Taming of the Shrew" and "The Importance of Being Earnest" in an evening of three plays. With the members of the Thespian Troupe forming the nucleus of the working force of the Drama Club, the members painted scenery, collected props, learned lines, and rehearsed and rehearsed to make this another successful year for The Drama Club.

Once again the Hingham High hockey team entered the state tournament after an outstanding year. The Harbormen started the season with a convincing 15-0 win over Brockton which set a record for the most lopsided shutout in league history. The Hingham sextet went undefeated until they met Catholic Memorial. In the first Memorial game Hingham fought back from a 3 goal deficit, only to lose 6-5 in the closing minutes. In the second Memorial game Hingham's great defense held the Memorial team scoreless, but the Harbormen couldn't score and had to settle for a tie. Hingham went undefeated over the last 8 games and finished third in the South Shore League.

Goalie Dave Routhier was second in the league with 7 shutouts, and Bob Bruce (Captain), Tom Richardson, and Rick Miller made the league all-star team. Tom Richardson and Geoff Emerson finished well up in the scoring race as the Harbormen amassed a total of 73 goals, the second highest total in the state.

In the state tournament Hingham beat highly rated Boston College High School 5-1 as Hingham's defense, bolstered by Jim Shaughnessy and T. D. Dowling, two former B.C. High players, checked the powerful Eagle attack. In the second game of the tournament Hingham fought a strong Walpole team, but Warren Knapp's lone goal wasn't enough as the Harbormen dropped a close 2-1 decision.

The girls' basketball team this winter ended the season with a 9-3 record. The season was marked by close, exciting, and often times rough games, fast and tricky layups by high scorer Gale Palmer, and excellent board work by guard Anne Wing. Not until Hingham met a fast and energetic Braintree team did the six senior starters suffer any upsets. In a game with Whitman-Hanson another loss ensued due to the absence of two starting guards and carelessness on the forward side. In a final match against Thayer, Hingham fell behind in the fourth quarter to lose by just four points. The team spirit was often aroused by colorful posters and raucous yells in the team room, and, for the first time, each practice was preceded by vigorous calisthenics led by tri-captains Anne Wing, Linda Gustafson and Pam Barry, and all the senior players.

# HARBOR LIGHT STAFF

The HARBOR LIGHT staff this year has become well acquainted with chaotic editorial board "meetings" and frantic midnight sessions the night before we Go To Press. (Most of the assignments somehow do not get in until then.) There is no lack of work: we must assign, tighten, type and label copy, take pictures and develop them, correct galleys, collect ads, think up headlines, pay bills, lay out, and paste up the entire paper, drive madly to and from our printer in Braintree, and explain to one person after another how we came to spell Brita's name wrong.

## Mr. Bartlett Gives Speech

"We are like the poet that the poet can be at times of emotion," quoted old W. Bartlett on December 15 as he addressed the students for the last time as principal of Hingham High School.

...nated three girls from their class, and the faculty made the final selection. Linda will attend the D.A.R. State Conference in March and may be the winner of a \$100.00 U. S. Savings Bond drawn at that time. She will receive a State Good Citizens Certificate to be awarded at graduation.

## CHRISTMAS PROGRAM

DECEMBER 22, 1961

"And the wise men saw the angels, and they were sore afraid."

The opening presentation of the annual Christmas program was "The Jingle Bell Rhapsody" performed by the band. The gaiety of the winter season was further expressed with the solo performances of John Nadeau, George Miller and Beverly Wright, and the girls' chorus offered a lively version of "Winter Wonderland." The orchestra ended the first portion of the program with the "Christmastide Overture."

The second portion of the program was devoted to the spiritual and sacred side of Christmas. Selections from Handel's "Messiah," featuring the chorus, were presented with accompanying Bible readings and tableaux by the Drama Club. "Oh Thou That Tellest Good Tidings To Zion" was sung beautifully by Deborah Eaton. The finale of the Christmas program was the "Hallelujah" chorus, during which the entire student body remained standing.

"Behold, there came wise men from the East."

Intermission with the chief chaperone,

The annual Snowball Dance was sponsored this year by the Senior Class, under the direction of the Executive Board. Thanks to the great music provided by the Off-beats and the wonderful decorations made possible with the help of the ambitious Christmas Tree Committee, the dance was a big success.

Logging—one of Finland's largest industries

Hingham's exchange student for the 1961 A.F.S. summer program was Charlie Atkinson. He spent the summer in the small town of Suonenjoki, Finland, living with a minister and his family of three boys, ages 17, 14, and 11. Residing in a rural area enabled him to learn much about the Finnish people and their way of life.

# FIELD SERVICE

In the olive orchard near the summer house

Marcia Reardon was Hingham's exchange student for the 1961 A.F.S. one term winter program. From August to January Marcia lived with a country doctor and his family in a small village on the French Riviera. In her short stay with her "mother" and "father," Madame and Monsieur Talent, and her two younger sisters Noelle (14) and Sylvie (16), Marcia grew to love France and its people.

## HINGHAM

This year Hingham has as its exchange student a "fraulein" from Niediebor, Germany. Through her family, the Stuart DeBards, and the numerous friends she has made here. Brita has familiarized herself, in theory and practice, with the American ways while continuing to share with us the customs and charm of her native land.

Entering the high school as sophomores the Class of 1962 had no officers or organization, but through hard work and cooperation a number of projects were successfully undertaken. During the senior year the executive board, headed by the class officers, added to its already stable treasury with the proceeds from the annual Snowball Dance, a very successful food sale, and a basketball game between the junior high and high school faculties and between the basketball and hockey teams. In addition, the officers devised a new election process to aid future classes and opened board meetings to all interested. In three short years at the high school the contributions of its members has made the Class of '62 an outstanding class.

# SIDELINES

Reduction is any gain of seniors in chemistry lab.

I'll have one of these, a few of those . . .

Behold, O my heart, the jays at the feeding station.

The business staff, under the direction of Miss Quill, spent a busy first half year accumulating sponsors, patrons, and patronesses, taking subscriptions and preparing advertisement layouts. While they handled such business matters, the literary staff was fully occupied putting the yearbook itself together with the help of Miss Suzedell, our advisor, and our photographer, Mr. Wayne. It is with great appreciation that all concerned thank Miss Quill, Miss Suzedell, Mr. Wayne, the faculty and administration for their cooperation, and Mrs. John S. Barry for the use of her home for the literary staff's meetings.
